

## Sponsorship Information

To Whom It May Concern:

We are excited to announce that on **March 12th of 2022** we will be holding the **Fourth Annual Ross Granger Memorial Bass Tournament** on Toledo Bend Reservoir at San Miguel State Park. This tournament is a fundraiser to support the Ross Granger Memorial Fund. Ross Granger was a student of great achievement in academics, athletics, and faith.

At the request of Ross Granger himself, this foundation has established scholarships for hard working students interested in pursuing a college degree. It was also Ross's wish that we raise money in support of the Jimmy V. Foundation, and the Miles Perrett Cancer Center (which assists families facing a cancer diagnosis). Ross Granger was a student of great achievement in academics, as well as many other areas. He was the valedictorian for the graduating Class of 2015, and he enjoyed playing football and baseball at Erath High School. During his senior year, Ross signed with the LSUE baseball team; however, he was unable to begin his college career due to his diagnosis of a brain stem astrocytoma only 2 months after graduation. Ross fought a valiant battle with cancer, and was called home on November 11, 2016.

The Ross Granger Memorial Fund tournament board appreciates your thoughtful consideration in helping to sponsor this year's annual Ross Granger Memorial Bass Tournament. Please see the attached documents for sponsorship information. We would love to speak with you further if you have any questions or concerns. As tournament director, I will be happy to speak to you to answer any questions you may have. Please either text message or email me, and I will get back to you as soon as possible!

With Kindest Regards,
