

# SPONSORSHIP OPPORTUNITY – 2018 SNAP TO A CURE 5K/1 MILE

The 2nd annual Snap to a Cure will be a partnership with Snap Fitness Maurice and The Ross Granger Memorial Fund on Saturday, October 27th, at North Vermilion High School. The event will kick off with the mile run at 8am with the 5k shortly after. We encourage every sponsor to show their company's pride & set up a team in recognition for anyone who has lost a loved one, currently battling, or survived cancer. A sponsorship not only includes advertisement on race day and on race T-shirts but multiple social media networks will advertise your business from now throughout race day!

## The Ross Granger Memorial Fund

Ross Granger was an exceptional young man. Shortly after his graduation from Erath High School, Ross was diagnosed with an astrocytoma in his brain stem. After a 16-month battle for his life, Ross was called peacefully home on Friday, November 11, 2016, lovingly surrounded by family, friends and loved ones. He was a lifelong resident of Erath, Louisiana, and a member of Our Lady of Lourdes Catholic Church.

At Ross's request, we have founded the Ross Granger Memorial Fund. Ross's wish was that we provide scholarships for students like him, who display character and leadership in academics, athletics and especially faith. He also desired to raise money for his favorite charities, (Miles Perret Cancer Services, Jimmy V Foundation) and to assist families of children who have similar diagnoses to his own by providing help with travel, treatment, and spiritual support.

Your generosity is greatly appreciated!  
(Ross Granger Memorial Fund Tax ID: 81-4528136)
